Daily Appeal.

MEMPHIS:

FISIDAY MORNING, JANUARY 17.

OFFICIAL JOURNAL OF THE CITY.

The Circulation of the DAILY APPEAL is larger than that of the Duly City Press Combined.

THE PREEDOM OF THE PRESS IN THE SOUTH.

We are told by the not over vernelous graph that much speculation is indulged by the liberty of the press. We have no idea that an act, so unnecessary, despotic and unconstitutional, would find the least favor with either the President, or any thinking member of Congress who has taken the trouble to read the Constitution of his country. To quiet all apprehensions cal Hotspurs, if any there be, who may be cogitating upon the propriety of this measure, we Section 9 of the Confederate States Constituan establishment of religion, or prohibiting the

ment for a redress of grievances." This provision positively forbids any legisla. The intervening powers are piedged by their speck upon the delicate eye of the body politic, aside, we do not believe that the establishment of having been greatly annoyed by the service of and we must becare how we meddle with it. that form of government, with a foreign prince writs of habeas corpus in numerous instances, a

it finds place. and simulate this Revolution than all the country: an energetic and intelligent patriot, armed with large powers and elected for ten gether; and for the powers that be to seek gether; and for the powers that be to seek years. A national Dictature might, within a specified time, free the country from a foreign allegislate it into all-nos, and therefore not would be for the oak to sparm the actors would be for the oak to sparm the actors which it had sprang. Its Johnson appreciated the binnings of a free press when he said the binnings of a free press when he said the binnings of a free press when he said the binnings of a free press when he said the primare transfer of the carries of the control of the act of habeas corpus ple by European armies, could not be maintained without the permanent assistance of those armies.
